This is a TEMPORARY DOCUMENT

only for the use of DCI/NS, b.

The record copy has been released to National Archives

under the HISTORICAL REVIEW PROGRAM.

Date 22 JAN 91 HRP 89-2

To preclude the issuance by CIA of estimates which are inconsistent with other estimates contained in NIE's and SE's still in force.

Comment: The Publications Board may not make estimates at variance with NIE's and SE's still in force.

Whenever the current take indicates that an NIE is no longer valid, the O/CI Publications Board may so comment with specific reference to the estimate. It will notify the O/NE representative of the need for a revision of the NIE in question.

If the current take indicates that the conclusion of a given NIE though not in fundamental error still would benefit by shading, reference to the NIE should be made and the appropriate shading offered in terms of the most recent reporting.

This document has been approved for release through the HISTORICAL REVIEW PROGRAM of the Central Intelligence Agency.
